

ANTHONY HOLT
SUMNER COUNTY EXECUTIVE

Jan. 30, 2012

Dear Candidates and/or Candidates' Representatives:

In consideration of public safety and property maintenance concerns, placement of campaign signs is limited to two (2) per candidate at the Sumner County Administration Building, 355 N. Belvedere Dr. in Gallatin, as well as the County Courthouse on the Public Square in Gallatin.

This measure applies to the March 6, Aug. 2 and Nov. 6, 2012 elections, as well as early voting periods for these elections.

Additionally, political signs interfering with motorists' sight lines or lawn mowing will be removed and placed at the north side of the Administration Building near the back door.

Canopies and chairs will be allowed at the Administration Building as long as they do not block traffic or pedestrians.

Thank you in advance for your cooperation. Please contact my office should you have any questions.

Sincerely,

Anthony Holt
Sumner County Executive
