

# IMPORTANT NOTICE

## CAMPAIGN CONTRIBUTIONS!

We have received several inquiries regarding Campaign Contributions via Paypal, Venmo and other similar payment exchange programs for Campaign Contributions.

PLEASE NOTE:

All reporting requirements on your campaign finance disclosures and campaign finance limits remain the same, regardless of payment form.

Some payment venues do not allow for collection of needed information such as name, address, occupation and employer.

As a candidate, you are still required to have this information on file, as well as report said information on your campaign disclosures.

According to the State, you must report the full contribution (for example \$600) and then report the fees deducted by the vendor for processing the payment as a campaign expense.

Any questions may be directed to the State of Tennessee Bureau of Ethics and Campaign Finance at (615) 741-7959.
