CITY OF PORTLAND SALES AND USE TAX REFERENDUM Vote For One (1)	JOSEPH ZANGER Independent Candidate	Summary: This amendment would add to article XI, section 12 of the Tennessee Constitution a process for the temporary exercise of the powers and duties of the governor by the Speaker of the Senate—or the Speaker of the House if there is no Speaker of the Senate in office—when the governor is unable to discharge the powers and duties of the office of governor. While a Speaker is temporarily discharging the powers and duties of the governor, the Speaker would not be required to resign as Speaker or to resign as a member of the legislature; but the Speaker would not be able to preside as Speaker or vote as a member of the legislature. A Speaker who is temporarily discharging the powers and duties of the governor would not get the governor's salary but would get the Speaker's salary. The amendment would also exempt a Speaker who is temporarily discharging the powers and duties of the governor from provisions in the Constitution that would otherwise prohibit the Speaker from exercising the powers of the governor and from simultaneously holding more than one state office.
