

Campaign Signs in Sumner County Municipalities

The Sumner County Election Commission does not regulate campaign signs in non-municipal areas of the counties or within any city limits.

The only signs regulated by the Election Commission are those at the polling sites on Election Day or Satellite Voting Locations during Early Voting that must be outside the 100 foot boundary.

Each candidate is responsible for following sign ordinances for the cities and the non-municipal areas of the county. Sign ordinances for each city may be different and candidates are encouraged to check with individual cities about their rules.
